

OUTDOOR COURT (8 LAYER) SYNTHETIC (ACRYLIC) SURFACE

SPECIFICATIONS :

- Our surfaces are 100% acrylic & are UV resistant. We use material of the highest grade along with the most qualified and experienced team of workers.
- Our cushioned courts are designed to provide maximum comfort for players.
- The colors are ultra violet resistant, thereby reducing glare and increasing visibility.
- In this system, we shall apply 1 Layer of Filler / Primer, 2 layers of premium quality Resurfacer, 3 layers of cushion, and finally 2 coats of Non-Textured coat, followed by court markings (Filler, Primer, Resurfacer, Acrylic Synthetic coat & Line Marking paint).
