SAVE SPACE

Unique one-button translation forward slide design about 12CM against the wall will fully open the massage chair greatly saving space.

FULL-BODY STRETCH

Relax waist and beautify the buttocks, stretch the whole body. Stretch the Governor Vessel on the lower back and the Foot Sun Bladder Meridian. Helpful to the space between vertebrae.

ZERO-GRAVITY

The 135° and 118° zero-gravity angles that simulate spaceflight make the thighs and calves higher than the heart part of the body as if in a state of "weightlessness", making the spine free of pressure and achieving deep relaxation
