# Soft Play & Installation

## Catalogue

Maskeen is a New Delhi-based manufacturer specializing in thoughtfully designed play areas for early learning and recreational spaces. With in-house manufacturing and a deep understanding of how children interact with their environment, we create play installations that encourage movement, imagination, and joyful exploration.

Trusted by schools and learning spaces across the country, Maskeen play areas are built with a strong focus on safety, durability, and child-friendly design. Every installation is carefully planned and crafted to blend seamlessly into its surroundings, offering long-lasting play experiences that

children love and adults can rely on
