Inspiring Fitness

'Thoughts become things' when you leave the realm of average thinking and follow your dreams by applying the right decision, driven by your mind. Fitness is a 'state of mind', which needs constant trigger to put ones thought into action.

Every action needs a reason for accomplishing it. Staying fit manifests in the physicality and inner well-being which everyone aspires. Every time you make a resolve and step-up your fitness goals, life gets the better of you and positive thoughts lead to positive outcomes.

VIVA Fitness is an accomplished brand in the world of fitness equipment, designed for both commercial and home use. It thrives on the belief that with the right set of tools, a fitter person is better off in accomplishing his personal and professional goals.

# SL SERIES UNIQUE FEATURES

Easy to use, neat appearance, the SL line is a high quality commercial plate loaded series. The user-friendly design makes working out more simple, efficient, comfortable and satisfying.

Tubing: thickness range from 2.5 mm to 3mm, 50mmx100mm tubing, electro-welded to maximum integrity.

Color: black and red (Other colors are optional based on customer requirements)

Finish: Electrostatic powder-coated and heat cured after adhesiveness enhancement pre-treatment for superior durability

Compact - space efficient design requires minimal floor space.

Pad total thickness is 70mm.

Easy-to-use, flexible adjustments allow for optimal exercise positions.

## Description

The Studio Reformer offers extraordinary flexibility & versatility suitable for a vast range of body heights, sizes and abilities. This model is the most popular with Pilates teaching studios and physios as it is very sturdy and has lots of flexibility to cater for all exercises. Our Pilates equipment is manufactured from high-quality materials, built to the European safety standard CE and has been carefully crafted incorporating clever designs to simplify operator use. Standard options of our Pilates machines provide quick adjustments without lengthy operation.

## LADDER BARREL

The Pilates Ladder Barrel is unique. It offer both active and passive back extension exercises. Of course as with all the pilates equipment it is designed to allow many other exercises to be performed.

The Pilates Equipment barrels are excellent for developing back strength and promoting trunk extension which is crucial to developing good posture.

Pilates Barrels utilize gravity rather than springs for resistance.

## NJ-1005

## WUNDA CHAIR

Popular in rehab, and studios, the Wunda Chair is finding its way into more and more homes, as more and more people are learning the value of low-impact resistance training.
