

INFRA CHI MACHINE / SWING MACHINE (3 IN ONE)

SPECIFICATIONS :

- **INCREASES BLOOD CIRCULATION:** Less blood flow causes blood clots and disturbs the flow of oxygen to our vital organs. So increased blood circulation is very important to carry oxygen to the organs and cells for a healthy heart. It promotes cell growth and healthy organ functions.
- **THERAPY:** There are more than 30 pressure points in the sole of our feet. By keeping your feet on the Vibration part of the morning walker, there is direct pressure applied to the pressure points which promotes a healing response (or reflex) in the corresponding body organs. This heals any kind of problems affecting the functioning of the organs.
- **INFRARED THERAPY:** Infrared heat helps in healing pain faster as the infrared heat penetrates deep in the body. It helps in tissue repair. It also helps in draining out toxins.
- **MAGNETO THERAPY:** The Home walker has Magnets which is another healing source for pain and also increases blood circulation.
- **REACHABLE EFFECT:** This home walking machine benefits persons suffering from Diabetes, High Blood Pressure, Joint Pains, Arthritis, Obesity, Organ Functioning problems and Cardiac Problems. Overall, If you start using lot of health risks will be minimized, You will be slim and back in shape and heal any kind of health problems.
