GR050 BATTLE ROPE 12 MTR

SPECIFICATIONS :

- Battle rope is constructed from 3-strand high-density polyester
- These are wear-resistant and deformation-proof throughout years
- High tensile strength, heavy duty exercise training rope
- Perfect for both outdoor and indoor use
- Battle rope heat shrink capes on both ends of this exercise rope help better keep the shape, protecting your hands and allow you to have a firmer grip, so the rope won't slip out your hands even when you are sweating
